

March 4, 2011

Dear Colleague:

Our alliance of science, technology, engineering and mathematics faculty from Glynn County Schools and the College of Coastal Georgia is planning the third *Expanding Your Horizons Day* for Saturday, April 30, 2011 at the College of Coastal Georgia. We hope that you will be able to participate in this informal outreach program for girls in grades 5 - 8.

Girls from both private and public middle schools will be invited to pre-register for two, 50-minute, workshop sessions in a program that will highlight Science, Technology, Engineering, Mathematics (STEM) and the Health sciences. Each session will be limited to 16 girls to maximize the students' learning experience. Presenters are urged to consider repeating their sessions so that more girls can benefit from the presentation.

We are asking presenters to share the story of their career pathway; its challenges and rewards and engage the girls in hands-on learning activities related to their careers. For more information about EYH Days, you can access the website at: <http://www.expandingyourhorizons.org> or call Dr. Joan Boorman at 912.222.1109 or Dr. Keith Belcher at 912.279.5922.

Please use the attachment to provide a description (for the registration brochure) of your activity, a list of materials/equipment needs, and your contact information. We will host an optional Presenter Orientation session to help you plan the workshop activity for the audience of girls ages twelve through fourteen.

Please send or email your *Presenter Information Form* to me by **Friday, March 25, 2011.**

Thanks for your support!

Joan Boorman, PhD
Director of Testing
Glynn County Schools

**Expanding Your Horizons Sat. April 30, 2011
Presenter Information Form**

Please send to **Joan Boorman, Glynn County Schools, 1313 Egmont St., Brunswick, GA 31520** or boormanj@glynn.k12.ga.us OR to **Keith Belcher** at kbelcher@ccga.edu on or before March 25, 2011.

Your name: _____

Email address: _____

Best telephone number: _____

Brief description of your 50 minute, hands-on activity:

Presentation Needs; materials, equipment, classroom, laboratory, outside?

Kindly indicate the times you would be available to present on Saturday, April 30th:

- _____ 10:00 – 10:50 AM
- _____ 11:00 – 11:50 AM
- _____ either or both sessions

If you would like to attend a Presenter Orientation Session, please indicate your choice below:

- _____ 4 pm Tuesday, March 15th
- _____ 7 pm Tuesday, March 15th
- _____ other _____

Conference Schedule Saturday, April 30, 2011

08:30 -09:00	Registration
09:00 -09:45	Welcome Dr. Valerie Hepburn, <i>President</i> <i>College of Coastal Georgia</i> Mr. Howard Mann, <i>Superintendent Glynn County Schools</i>
	Keynote TBA
09:45 -09:55	Snack
10:00 -10:50	Workshop 1 & Adult Panel Discussion
11:00 -11:50	Workshop 2
12:00 -12:30	Lunch Student Center
12:30 -12:45	Hand in evaluations, receive T-shirts Conference Center

10:00 – 10:50 Adult Panel Discussion, *Conference Center*

The Adult Panel Session is an opportunity for parents to learn how they can promote the participation of their daughters in mathematics, science, allied health and engineering. The panelists will describe their own careers, including how the math and science classes they took in high school and college helped them get where they are today. The session will also include a question and answer period to allow further discussion of topics of interest.
