Tenth Annual Compton Lecture Series to be hosted by the CGCC Foundation. Plans are underway for the tenth annual Compton Lecture Series Event. This year, the CGCC Foundation is pleased to announce Mr. John R. "Reg" Murphy as the guest speaker on Wednesday evening, **March 21, 2007** at 7:30 p.m. in the Cloister Ballroom on Sea Island. For ticket information, please contact the Institutional Advancement Office at 262-3303.

Donations Needed. The Business Club - Phi Beta Lambda is collecting clothing for **AMITY HOUSE** from now until the middle of April. For those of you unfamiliar with Amity House, it is a shelter for battered women and their children. These women and their children typically leave the abusive home with only the clothes on their backs and are in desperate need of clothes, shoes, etc. **PLEASE donate**

whatever you can spare. We have one large box in the **Science Building lobby** and will be placing others around campus as soon as we can. We ask that the clothes are clean and in good repair. Any sizes and shapes are acceptable, but do keep in mind that it is not the time to give winter coats and clothing. They need things they can wear right now.
