Thank you. *Carolyn Mays*

System Supplement. The February 2007 issue of *The System Supplement* is now available on the college website. Please read at your convenience and print for those without e-mail access.

Donations Needed. The Business Club - Phi Beta Lambda is collecting clothing for **AMITY HOUSE** from now until the middle of April. For those of you unfamiliar with Amity House, it is a shelter for battered women and their children. These women and their children typically leave the abusive home with only the clothes on their backs and are in desperate need of clothes, shoes, etc. **PLEASE donate whatever you can spare.** We have one large box in the **Science Building lobby** and will be placing others around campus as soon as we can. We ask that the clothes are clean and in good repair. Any sizes and shapes are acceptable, but do keep in mind that it is not the time to give winter coats and clothing. They need things they can wear right now. *Submitted by Lee Dyson and Coronicca Smith.*
