KIC PLANTS A TREE — With the help of Coastal Georgia Community College's Grounds Supervisor Jay Alkire, Kids in College students planted a weeping willow next to the Brunswick campus lake. The tree was donated by Ace Garden Center on St. Simons Island and the ceremony culminated a week of KIC studies on "Our Earth." Kids in College is a summer enrichment program for children in grades 1-5 which is sponsored by the Department of Continuing Education. Teachers are from Armstrong Atlantic State University's teacher education program, Brunswick campus, who are earning practicum hours as part of their education.

Disclaimer. Event information for the Campus Connection is compiled each Wednesday by the Office of Institutional Advancement based upon current information in FS-Direct scheduling. It is the responsibility of each Department to ensure that the information detailed in FS-Direct is correct.
