Note to the College.*To My College Family,*

I am sitting here opening another sympathy card and thinking of all the good things Ron did for so many of my friends and family. You never had to ask him, if he heard that someone needed anything, he tried his best to make sure it was taken care of. He pampered and loved me and made me feel like a queen. He was my knight in shining armor. I've just opened a letter and card from the Georgia Eye Bank thanking me for the opportunity of giving someone the Gift of Sight, this was such a blessing. The point behind this was he always said no matter what he did to help people; I would always reap the benefits from his actions.

So I wanted to say thank you for all your cards, visits, flowers, foods and the genuine caring you have shown me and my family these past few weeks. Please keep us in your prayers and God Bless.

*Always,***Carol Middleton**

One Month to Give-One Day to Celebrate. The Office of Institutional Advancement will be accepting donations for the fund drive campaign through the first week in December. We'd love to include your gift in our campaign update at the Thanksgiving Feast on Tuesday! Thank you again to all those who have given-your gifts really do make a difference.
