Notes to the College

Thanks to all of you for your prayers and other expressions of support during the passing of my mother-in-law from injuries received in an automobile accident. Please remember my sister-in-law as she continues to recover from the same accident. *Laura Bowen*

My brother Kevin has had to close Christ School in Bundibugyo, Uganda, because of an Ebola outbreak. He, my sister-in-law, their four children, and the entire World Harvest team--with the exception of Drs. Jennifer and Scott Myhre--has been evacuated. The CDC, the WHO, Doctors Without Borders, and other organizations are all in Uganda now to try to fight what appears to be a fifth and previously unknown strain of the virus. Please keep the team in your prayers. *Sharon Bartkovich*
