Condolences.

Our sincere condolences to **Lynn Rhyne** whose mother-in-law Louise passed away on Monday. Lynn's family has requested, in lieu of flowers, a contribution be made to the **CGCC Foundation Nursing Program Fund** in memory of Louise Rhyne. Questions call Institutional Advancement at ext. 3303.

Grounds Supervisor **Jay Alkire's** mother Shirley passed away on January 4, 2008. Services were held in San Antonio, Texas. Our sincere condolences to Jay and his family.

Retiree Passing. CGCC retiree **Lois Pope** passed away on January 4, 2008. Miss Pope was Assistant Professor of Business Administration 1965-1976 and Asst. Professor of Secretarial Science/Vo-Tech from 1976 until her retirement in 1977. Our condolences to her family.

Congratulations. Congratulations to **Brelynn DuMortier**, Bookstore Operations Supervisor, and her husband on the birth of their daughter Grace Emelie DuMortier on December 26, 2007. Grace weighed 8 lbs, 10 oz. and was 21 inches long.

From the Office of Institutional Advancement. New nametags are available featuring our new logo. There are three variations to meet your needs. Many thanks to the Marketing Committee for their assistance in the final style decision, the staff at Continuing Education for facilitating the prototypes, the many faculty and staff members who provided input on the varieties to be made available, and to Donna Smith in Purchasing for pulling it all together so they can be ready to order!

Mentors Needed. Sterling Elementary School in Brunswick has over 100 students who need mentors. Mentors will spend only 30 minutes a week, on their schedule, listening, helping, and playing with the students. These students are often unmotivated or struggling, and simply need a role-model who will take the time to be a positive influence in their lives. Finger prints and background checks are required, and will be paid for by Sterling. Interested faculty, staff, students or student organizations should call counselor Chris Mehanko at 279-1509 ext. 5503.

Happy Birthday
