Opportunity for Local Community Service Organizations

As you may be aware, the SMUMC Foundation has partnered with the College of Coastal Georgia to implement a new Service Learning Program at the college. As the program progresses, the college will be hosting “Service Fair” events to provide local community service organizations an opportunity to highlight their programs to the students, faculty and staff. Local community service organizations will be able to get the word out about local community service as well as potential campus/community partnership opportunities.

[Click here](#) to find more detailed information regarding the upcoming Service Fairs which will be held on August 8th and August 25th at the Brunswick campus and August 18th at the Camden Campus. [Click here](#) for a Service Organization Application to participate in any of the fairs.

We hope that you will be able to take advantage of this wonderful opportunity. Please feel free to contact the Foundation office at (912) 510-9350 or the college at the Office of Student Life at (912) 279-5813 if you have any questions.

Sincerely,

Marcie Montgomery
